Classroom Information

This week third graders will take the Cognitive Ability Tests (CogAT). Mr. Clark sent home a letter explaining the purpose of the tests last week. There is no way for students to prepare for these tests. We will be taking a practice test on Monday and the actual test on Tuesday, Wednesday, and Thursday.

We are collecting items for our class raffle basket for the PTA Spaghetti Dinner fundraiser. Our theme is "Movies and Munchies." All items should be turned in by November 15.

As the weather turns cooler, please remind your child to bring a jacket for recess. We will have outdoor recess as long as the temperature is above freezing.

Please note this is the last newsletter until we return from Thanksgiving Break. We hope you have a wonderful holiday with family and friends.
